Wedding Progress Chart – a helpful guide to planning your wedding day at Peruga

A deposit of £500.00 is required to secure your preferred wedding date. When making this payment we also require a completed booking form, signed and dated appropriately.

From your initial viewing appointment we are happy to hold a date for you provisionally for up to 2 weeks.

3 months before your wedding day A £1000 interim payment is due at this point, to confirm the booking and help spread the cost of the big day for you.

It is also when we would recommend your next appointment with your wedding co-ordinator to discuss and plan your menu and drinks requirements, table plans, numbers, evening reception and similar details.

1 month before your wedding day, this is when the final balance payment is due. This is also when we recommend your next appointment with your wedding co-ordinator to go through all the final details of your day, such as specific timings, final menus, drinks decisions and final numbers, any special dietary requirements of your guests etc. etc., so it is a good idea to bring this information with you.

Don't worry about forgetting anything at this point, as your wedding co-ordinator will make sure we are aware of everything we need to know!

1 day before - The 'finishing touches' - things like place settings, favours and table plan need to be dropped off with us beforehand. We are more than happy to dress the tables with these items for you, and we provide this service free of charge but we must receive the items at the absolute latest 24 hours before your wedding day. At this point your wedding co-ordinator will go through every aspect of your day once more, just to make sure all the details are ironed out and everything goes smoothly for you on your wedding day.

We always set up for a wedding the evening before to ensure everything is perfect on the day, and to make sure we can solve any issues which may arise with plenty of time before the day itself, which is why we require all the finishing touches beforehand.

On the day - Florist, venue dresser, cake maker and entertainers (or anyone else helping with the set up) are welcome to come to the venue on the day, however they need to contact us beforehand to organise a time for access and so that the relevant wedding co-ordinator is appropriately informed. Tel No 0161 241 0412.
